

# Slime Time

Making slime is a fun way to encourage messy tactile play and the texture can be soothing for some children. Keep an eye on your child while they are playing, slime is not safe to ingest.

## Supplies:

- Warm water
- White school glue
- Food coloring
- Borax
- Container or bag for storage

## Instructions:

- Pour 1/2 cup of glue in large bowl
- Add food coloring to the glue and stir well
- Add 1/2 cup of warm water to the colored glue and stir
- In a separate bowl, mix 1/2 cup of warm water and 1 teaspoon of Borax until dissolved
- Combine two mixtures then stir and knead
- Drain excess liquid
