

Best Shoes for Orthotics

Why is it Important?

It is important to provide your child with proper fitting shoes to get the full benefit of their orthotics.

Considerations

Remember to take your child's orthotics with you when you go shopping. Expect to purchase shoes that are at least 1/2 size larger than their typical size. Other considerations include:

- Removable insole
- Wide toe box
- Wide and extend tongue
- Pull tab
- Firm heel collar
- Adjustable straps or longer laces

Consult with your physical therapist to find the the appropriate shoes and an individualized plan to meet your child's needs
